

HOUSING ILLINOIS

"New Look"

30-Second TV

(AVO): If this is your picture of affordable housing...

(MUSIC: UNDER THROUGHOUT)
(AVO): Maybe this will change your mind.
Because this is what...

affordable housing looks like today.

It's changing Chicago neighborhoods...

for the better.

And affordable housing in the suburbs
gives working families...

and seniors places they can truly
call home.

Affordable housing for your community?

It's worth a whole new look.
